CHAIRMAN'S MESSAGE

I can't believe how quickly the 2025 AGM came around and here I am Chairman of The Yorkshire Pennine Centre, hopefully for the next three years. I'm delighted to have eight members on the committee, and thank them for their support and commitment to the centre in 2026.

We have approximately 440 members with 388 who use Facebook. As a centre we have some hard work ahead trying to get younger members interested, and hopefully with Bookwhen online it should be easier to book rallies.

Since coming along to our first rally at Hebden Bridge in 2016, Trish and I knew what a friendly and welcoming centre Yorkshire Pennine is.

Thanks must go to David, Lesley and Jeremy (Sandy) for their hard work and commitment to the centre and have now retired from the committee, but hope to see them on a rally field soon.

Finally, Trish and I wish you a happy and safe caravan and motorhome activities, and hope to see new and old friends on rally field soon in 2026.

With Best Wishes

Nigel and Trish

What is a Rally ?

Have you been to a rally yet?

The Yorkshire Pennine Centre would be pleased to welcome you to any of the rallies listed in this handbook.

You don't know what a rally is?

It is simply a gathering of Caravan and Motorhome Club members for weekends or longer holidays. Rallies take place at all sorts of venues from local fields to stately homes. Our members range from young families to retired couples. You can do as little or as much as you like from sitting and relaxing to joining in a range of social activities, which may include:-

- Sports - Fishing, Swimming, Football etc
- Dancing - Discos, Line, Sequence
- Quizzes and Games
- Handicrafts
- Walking
- Party Nights, Barbeques

Interested?

Well why not come and give it a try.

- Find the rally in the handbook you wish to attend, all the details you need are there
- Fill in a rally slip which can be found in the centre of this handbook
- Send it to the rally marshal

You need do nothing else until the day of the rally

- Following the directions in the handbook make your way to the venue. As you get near watch out for the special YPC/Pen9 signs they will direct you to the entrance.

What happens next?

When you arrive stop at the rally marshals caravan, this is usually near the entrance and has a rally marshal sign outside. Here you will be welcomed and given general information, such as where the water tap is etc. You will also be given an envelope which contains details of the weekends events. Including the times of the **opening** and **closing 'flags'**.

These are simply an opportunity to meet your fellow ralliers, welcome visitors and new members, hear results of competitions, announce forthcoming events and rallies and thank the marshals for organising the weekend.

Is there anything else you need to know?

- You will need your own toilet facilities
- Electric hook up is not usually available so make sure your batteries are fully charged and you have enough gas to last the weekend.
- At some venues you may find your pitch is slightly sloping so always carry a levelling ramp and some blocks.
- On most weekend rallies be prepared to take dry waste home with you.
- The Rally Fee is usually paid to the Marshal on arrival at the rally.

On your first rally you may not know any of our members but we hope that our welcome and friendship will make you want to come and rally with us again. Why not give it a try come and join us as we rally for pleasure and aim to share many enjoyable times.

22. **Tents.** Small / pup tents with a ground sheet area not exceeding 2 metres square, are permitted on all weekend and holiday rallies, in accordance with CAMC guidelines and under the following centre conditions.
- i. Both the Site Owner and the Rally Marshal are in full agreement to the pitching of tents on the rally site.
 - ii. The ralliers making the booking must meet in full any additional charges resulting from the use of tents.
 - iii. Where outfits are pitched in line backing onto a boundary hedge or fence, pup tents may be pitched between the caravan and the site boundary [behind the caravan]. Alternatively they must be pitched in the space, which would normally be occupied by a full size awning, when attached to the caravan. The CAMC pitching spacing requirements must be maintained.
 - iv. Where a porch type awning is erected as **small pup** tent may be pitched in the area, which would normally be occupied by a full size awning, provided the tent, does not protrude beyond either end of the caravan. The tent is screened by a windbreak. The CAMC spacing requirements must be maintained.
 - v. The occupants of the tent remain the sole responsibility of the member making the booking for the rally.

25. Non-member Guests

Non-member guests of Club members may visit the rally and are the responsibility of the member who invited them, eg for any breach of the Club's codes of behaviour and conduct or centre rules. Guests are not allowed to visit in their own outfit. If staying overnight, they must stay in the host member's outfit.

The only allowance is for **tents**, in addition to pup and trailer tents, which are permitted on rallies over **five days**. This will allow relatives and friends of Club members, who camp, but not caravan or motorhome to accompany them on longer rallies of over five nights. Provide that the **Land Owner and Rally Marshals** are in full agreement of this arrangement.

The "guests" must be allocated to a separate pitch adjacent to the members pitch and pay the normal rally fee for the full duration of their stay.

Any non-member attending such rallies will continue to be the responsibility of the Club member who invited them. Therefore, the Club member must also be attending the rally over the same dates as the non-member. Consequently, rally bookings by non-member campers must be made by the **Club member**.

The pitch spacing and rally site layout requirements must be maintained as per CAMC Guidance.

26. **Yellow Flag.** The flying of the Yellow flag when ground conditions are bad, indicates the restriction of all vehicle movement including 4x4 vehicles on or off the rally site. Permission must be obtained from the Rally Marshal before vehicles are moved.
27. **Towing Off.** Should it be necessary to use a 4x4 vehicle, for the movement of cars and caravans, the Club, Centre, Rally Marshal, Owner or Driver of the towing off vehicle, will not accept any responsibility for any damage which may occur. Towing off is at the risk of the members being towed.

Many outfits attending rallies are now considerably larger and heavier. Members with such outfits should ensure they have with them suitable equipment to pitch and level the outfit. Members with these outfits should ensure that they have the means to leave all rally sites independently.

NOTE: Insurance offered by CAMC covers members for extricating units stuck or “bogged down”. Other insurers may also offer a similar service.

28. The attendance at the rally and/or payment of the Rally Fee shall be an acceptance by the member of these rules, which are supplementary to the obligation, which all members undertake on joining the Caravan and Motorhome Club, including the observation of the Caravan Code and Countryside Code.

Members are reminded that the Centre Officers, Committee, and Rally Marshals devote a great deal of time and effort to ensure that you enjoy a wide variety of events within our Centre. Please give them your full co-operation in return.

PLEASE NOTE: The above is the only notice to be generally circulated.
No separate AGM circulars will be issued.

IMPORTANT FOR ALL TO NOTE:

Caravans and Motorhomes of all shapes and sizes are part of the Club and everyone is welcome on our rallies.

Many units attending rallies are now considerably bigger and heavier than previously. As a result, it is important to note that the owners of any unit are responsible for carrying suitable equipment to pitch, level and be able to leave the rally field independently.

Contact details of all our marshals are available for anyone to check if there are any concerns regarding the venue you may wish to consider before booking onto a rally.

I would like to thank our rally marshals who have sent me the information I needed to pull together next year's rally programme. We have some new marshals, I hope they enjoy running their rallies.

Our pool of rally marshals is diminishing so it would be fabulous to see some new marshals or assistant marshals in the future. If you fancy 'having a go' please just ask any committee member for information or come along to the **rally marshals meeting on Saturday 14th March at 10am**. It is to be held at Drax Social Club. There is a rally running there but you are welcome to join us even if you are not on the rally.

I would also like to thank our landowners who are very welcoming and do their best to support our rallying activities. Please remember that in the current climate their costs are rising and therefore we should not be surprised that rally site fees are on the increase.

We would be interested to hear of any new venues we could use in our programme, even if you do not wish to run a rally yourself. If possible, could you ask about the availability and obtain a contact phone number or email address and pass these to me or any committee member.

Best wishes

Liz Pagdin

DIFFERENT VENUES AND NEW RALLY MARSHALS

If you know of a land owner or organisation that is able and willing to allow us to hold a rally at their venue, then please investigate who are the people to contact and approach our rally secretary, Elizabeth Pagdin. Different venues keep the interest in rallying; any farms, schools or colleges, parks, sporting clubs that would be receptive to a rally are valuable to know about.

Please discuss any venue ideas you have with Liz, so that our programme reflects the places we want to visit.

If you haven't yet run a rally and would like to, but don't know how to begin then please talk to Liz.

Don't forget the 2027 Rally Programme will be put together during the first half of 2026, so please get your ideas and rally forms in early!
